FFA Architecture and Interiors, Inc. New hires 2012

FFA Architecture and Interiors, Inc. (FFA), a Portland architecture and interior design firm, is pleased to announce new staff member **Stewart Thompson, AIA, LEEDTM BD+C as Senior Design Associate.**

Stewart brings over 20 years of design experience to FFA. He has worked in collaboration with the NPS, USDA Forest Service, BLM, Oregon and Washington State Parks, and local governments on a range of projects types. His experience includes historic preservation treatments, as well as new construction within Landmark National Historic Districts. He has a working knowledge of sustainable practices and possesses the ability to provide fully integrated and viable design solutions.

Stewart provides strong design leadership to our team, emphasizing experience based and sustainable designs through an efficient and thorough design process.

FFA Architecture and Interiors, Inc. is a full-service firm providing expertise in architecture, planning, historic preservation and interior design. Principal of the firm is Troy Ainsworth. Associate Partners include Barbara Clement and Amalia Mohr.
